

Band Booster Meeting 9/27/16

➤ **Meadow creek BBQ Dinner set for October 15th 3-7**

Ticket money is already starting to come in

Need more tickets

➤ **Sweet Shop at football games going well**

Asking parents to bring in more oil

We need at least 4-5 parent volunteers for Oct. 7 home game

➤ **Silent Auction**

Discussed creating a section on the band page for names of businesses that we get auction items from. This will help avoid asking the same places multiple times for our auctions.

It's time to start gathering auction items, we will benefit from all profits made off this auction.

Schedule band to play while auction is ending in order for there to be something for the people bidding to do while items are sorted and called to the highest bidder.

➤ **Band bazaar**

Due to conflicts with other school functions we had a hard time setting a date for this event. Two possible dates are April 22nd and May 6th.

Chirstine made a motion

Rick M. seconded, the motion was passed

➤ **Meeting adjourned**

Cathy made a motion to adjourn the meeting

Danny seconded it and the meeting was ajourned
